

Sie bestimmen die Kompetenzen, wir finden den Spezialisten.

Dieses Register enthält alle aktuell verfügbaren Qualifikationen, Kompetenzen und Spezialkenntnisse der von IQ PLUS im Mitarbeiter-Pool erfassten Informatiker.

Für eine Anfrage, Offerte oder Bestellung wählen Sie bitte unter den folgenden Kategorien die von Ihnen gesuchten Informatik-Spezialisten aus:

Management • Consulting • Development • Testing • Systems and network engineering/administration • Maintenance and support • Training • SAP

Wir benötigen lediglich die drei Kennbuchstaben. Eine Anfrage können Sie telefonisch +41 (0)52 222 11 22, per Fax +41 (0)52 222 11 23, per E-Mail info@iqplus.ch oder via Internet www.iqplus.ch stellen.

Weitere Angaben, die wir für eine Offerte benötigen:
Feststelle oder Einsatz auf Zeit • Start und/oder Dauer des Einsatzes • fachliche Qualifikation • Führungsaufgaben • Sprache • Einsatzort

Management

■ *Interim management*

- cbd** Chief Information Officer/Department Leader
- cbf** CIO with Swiss KMU experience
- cbh** Pre Sales Manager
- cbk** Resource Manager for IT Staff

■ *Project management*

- ceb** IT Program Manager
- ced** IT Project Manager
- ceg** IT Project Leader (technical)
- ceh** Project Leader Software Development
- cei** Project Leader IT Infrastructure
- cek** Project Leader Rollout
- cen** PMO Project Management Office Assistant
- ceo** Document-/IT-/Technical Writer

■ *Service management*

- cfb** Business Service Manager
- cfg** IT Service Manager

■ *Quality management*

- chd** Quality Assurance Manager

Consulting

■ **Strategic consulting**

- fad** Strategic Consultant
- faf** Strategic Consultant with Swiss KMU experience

■ **Business analyses**

- fbd** Business Analyst/Process Engineer

■ **Software engineering**

- fed** Requirement Engineer
- feg** Software Architect

■ **Database/DWH Data Warehouse consulting**

- ffn** Database Designer/Data Warehouse Architect
- ffo** DB2 Consultant
- ffq** Informatica PowerCenter Consultant
- ffs** Oracle Consultant

■ **BI Business Intelligence consulting**

- fgb** BI Business Intelligence Consultant
- fgd** Cognos Consultant
- fgn** Oracle BI EE Plus Consultant
- fgp** SAS Consultant

■ **CMS Content Management System consulting**

- fib** CMS Content Management System consultant
- fid** Core Media Consultant
- fig** LiveLink ECM Consultant
- fin** SharePoint Consultant

■ **ERP Enterprise Resource Planning consulting**

- flb** ERP Enterprise Resource Planning Consultant
- fld** Infor ERP LN Consultant
- flf** Microsoft Dynamics AX Consultant
- flh** Microsoft Dynamics NAV Consultant

■ **Infrastructure planning and design**

- fod** Infrastructure/System Architect
- fog** WAN Wide Area Network/Telecom Consultant

■ **Controlling/Quality/Risk/Security consulting**

- fpa** Information System Auditor
- fpb** IT Controller
- fpc** IT Security Consultant
- fpd** Quality System Consultant
- fpg** Risk & Compliance Consultant

■ **Other areas consulting**

- frb** ARS Remedy Consultant
- frd** Avaloq Consultant
- frf** Business Process Consultant
- frh** DMS Document Management System Consultant
- frk** eGovernment/GEVER Consultant
- fro** Mercury IT Governance Consultant
- frq** Peoplesoft Consultant
- fru** Statistic Consultant
- frz** Other Areas Consultant

Development

■ **Hardware and automation software development**

- ibg** Automation Developer
- ibi** Embedded System Developer
- ibn** Real-time C/C++ Developer

■ **Application software development**

- iea** .Net Developer
- ieb** Build Tool Developer
- iec** C# Developer
- ied** C/C++ Developer
- iee** Coldfusion CFML Developer
- ief** Delphi Developer
- ieh** Gupta/Centura Developer
- iei** HP NonStop/Tandem Developer
- iek** IBM Host (Cobol/PL1) Developer
- ieo** IBM iSeries/i5/ AS/400 Developer
- ieq** Java/J2EE Developer
- ier** PowerBuilder Developer
- ies** Siemens BS 2000 Developer
- ieu** Unisys Developer
- iev** Visual Basic/VBA Developer
- iew** Web Client Developer
- iox** Webdesigner
- iez** Other Programming Languages Developer

■ **Database/DWH Data Warehouse development**

- ihb** Access Database Developer
- ihg** DB2 Database Developer
- ihj** Firebird Database Developer
- ihk** Informatica PowerCenter Developer
- ihl** MS-SQL Database Developer
- ihm** MySQL Database Developer
- iho** Oracle Database/DWH Developer
- ihp** Progress Database Developer
- ihq** Sybase Database Developer
- iht** Teradata Database Developer
- ihz** Other Database Developer

■ **BI Business Intelligence development**

- ikb** BI Business Intelligence Developer
- ikd** Cognos Developer
- ikn** Oracle BI EE Plus Developer
- ikp** SAS Developer

■ **CMS Content Management System development**

- ilb** CMS Content Management System Developer
- ild** Core Media Developer
- ilg** LiveLink ECM Developer
- iln** SharePoint Developer

■ **ERP Enterprise Resource Planning development**

- imb** ERP Enterprise Resource Planning Developer
- imd** Infor ERP LN Developer
- img** Microsoft Dynamics AX Developer
- imn** Microsoft Dynamics NAV Developer

■ **Various products development**

- iob** ARS Remedy Developer
- iod** Avaloq Developer
- ioo** Lotus Notes Developer
- ioq** Peoplesoft Developer
- ioz** Other Products Developer

Testing

■ **Test management**

- mbd** Test Manager

■ **Test design**

- med** Test Designer

■ **Test implementation**

- mhd** Test Developer
- mhg** Tester/Test Expert

Systems and network engineering/administration

■ **Working systems and LAN systems engineering**

- pbb** IBM z/OS Operator
- pbd** IBM z/OS Systems Engineer
- pbe** IBM iSeries/i5/AS/400 Systems Engineer
- pbf** Mac OS Engineer
- pbn** MCSE for medium and large environments
- pbo** MCSE with Swiss KMU experience
- pbp** MS Exchange Engineer
- pbr** MS SharePoint Engineer
- pbs** Novell Systems Engineer
- pbt** Unix/Solaris/AIX/HP-UX/Linux Systems Engineer
- pbw** VAX/VMS Systems Engineer
- pbz** Other Working Systems Engineer

■ **Terminal server systems engineering**

- ped** Citrix Systems Engineer

■ **Database systems administration**

- phd** DB2 Systems Administrator
- phe** MS-SQL Systems Administrator
- phg** Oracle Systems Administrator
- pho** Sybase Systems Administrator
- phz** Other Database Systems Administrator

■ **WAN Wide area network systems engineering**

- pld** WAN Wide Area Network Administrator
- plg** WAN Wide Area Network Engineer

■ **Products/Tools systems engineering**

- prb** BEA WebLogic Engineer
- prd** BMC Engineer
- prf** CA Unicenter Engineer
- prh** Firewall/Antivirus Engineer
- pri** HP Mercury Engineer
- prk** HP OpenView Engineer
- prm** IBM WebSphere Engineer
- pro** JBoss Engineer
- prq** Lotus Notes Engineer
- prs** Storage Engineer (SAN, EMC, TSM)
- prz** Other Products Systems Engineer

■ **Software packaging and deployment**

- psg** Software Deployment Specialist
- psn** Software Packaging Specialist

Maintenance and support

■ **Application maintenance**

- sbb** Change Manager
- sbd** Maintenance Engineer

■ **Technical support and rollout**

- sed** IT Technician
- seg** PC-/LAN Supporter
- sei** PC Rollouter
- sen** WAN Wide Area Network Supporter
- seq** Webmaster

■ **User support**

- shd** Helpdesk Agent
- shg** Enduser/VIP Supporter

Training

■ **Project management/Management training**

- vbd** Project Manager/Management Coach

■ **ITC-Professional training**

- ved** Trainer for ITC Professionals

■ **Enduser training**

- vhd** Enduser Trainer/Coach

SAP

■ **SAP project management**

- wcg** SAP Project Leader

■ **SAP consulting**

- wfb** SAP BW Consultant
- wff** SAP FI/CO Consultant
- wfh** SAP HR Consultant
- wfk** SAP MM/PP/SD Consultant
- wfm** SAP Consultant (any other modul)

■ **SAP development**

- wgd** SAP BW Developer
- wgg** SAP Developer

■ **SAP Basis engineering**

- wlb** SAP Authorisation management Specialist
- wld** SAP Basis Engineer
- wlg** SAP BW Administrator
- wlo** SAP NetWeaver Engineer

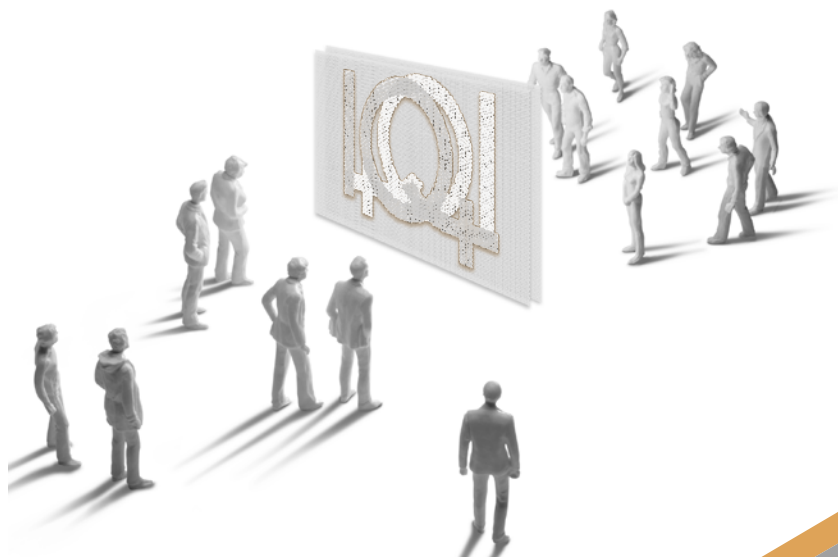

■ **SAP support**

- wod** SAP Super User

Other domain

■ **Other competencies**

- zzz** Other Function
